

ABOUT **ALKEMIO**

- A **tech-for-good** start-up, with a highly ambitious vision
- Providing **safe spaces for collaboration**. Where **people and AI** work together effectively. On a digital platform designed to benefit society.
- Showing we can have **public interest technology** for our interactions, with safety and trust enabling far greater collaboration. Instead of just accepting the dangerous road society is being driven down by profit-maximizing big tech. Instead of increasing worries and polarization.
- Alkemio has a strong tech base and is ready to **really scale**. Our beachhead markets are **education** and the **public sector** in the Netherlands.

OPEN ROLE: COMMUNICATIONS LEAD

- In charge of all communications, reporting to CEO
- Working closely with product, sales and fundraising teams
- Based in the Netherlands, with flexible work arrangements
 - Contract role, which can be part-time or full-time. Also open to freelancers
- Responsibilities include building the Alkemio presence on social media, positioning Alkemio as a leading example and thought leader of a new type of technology play, and relationships with the media

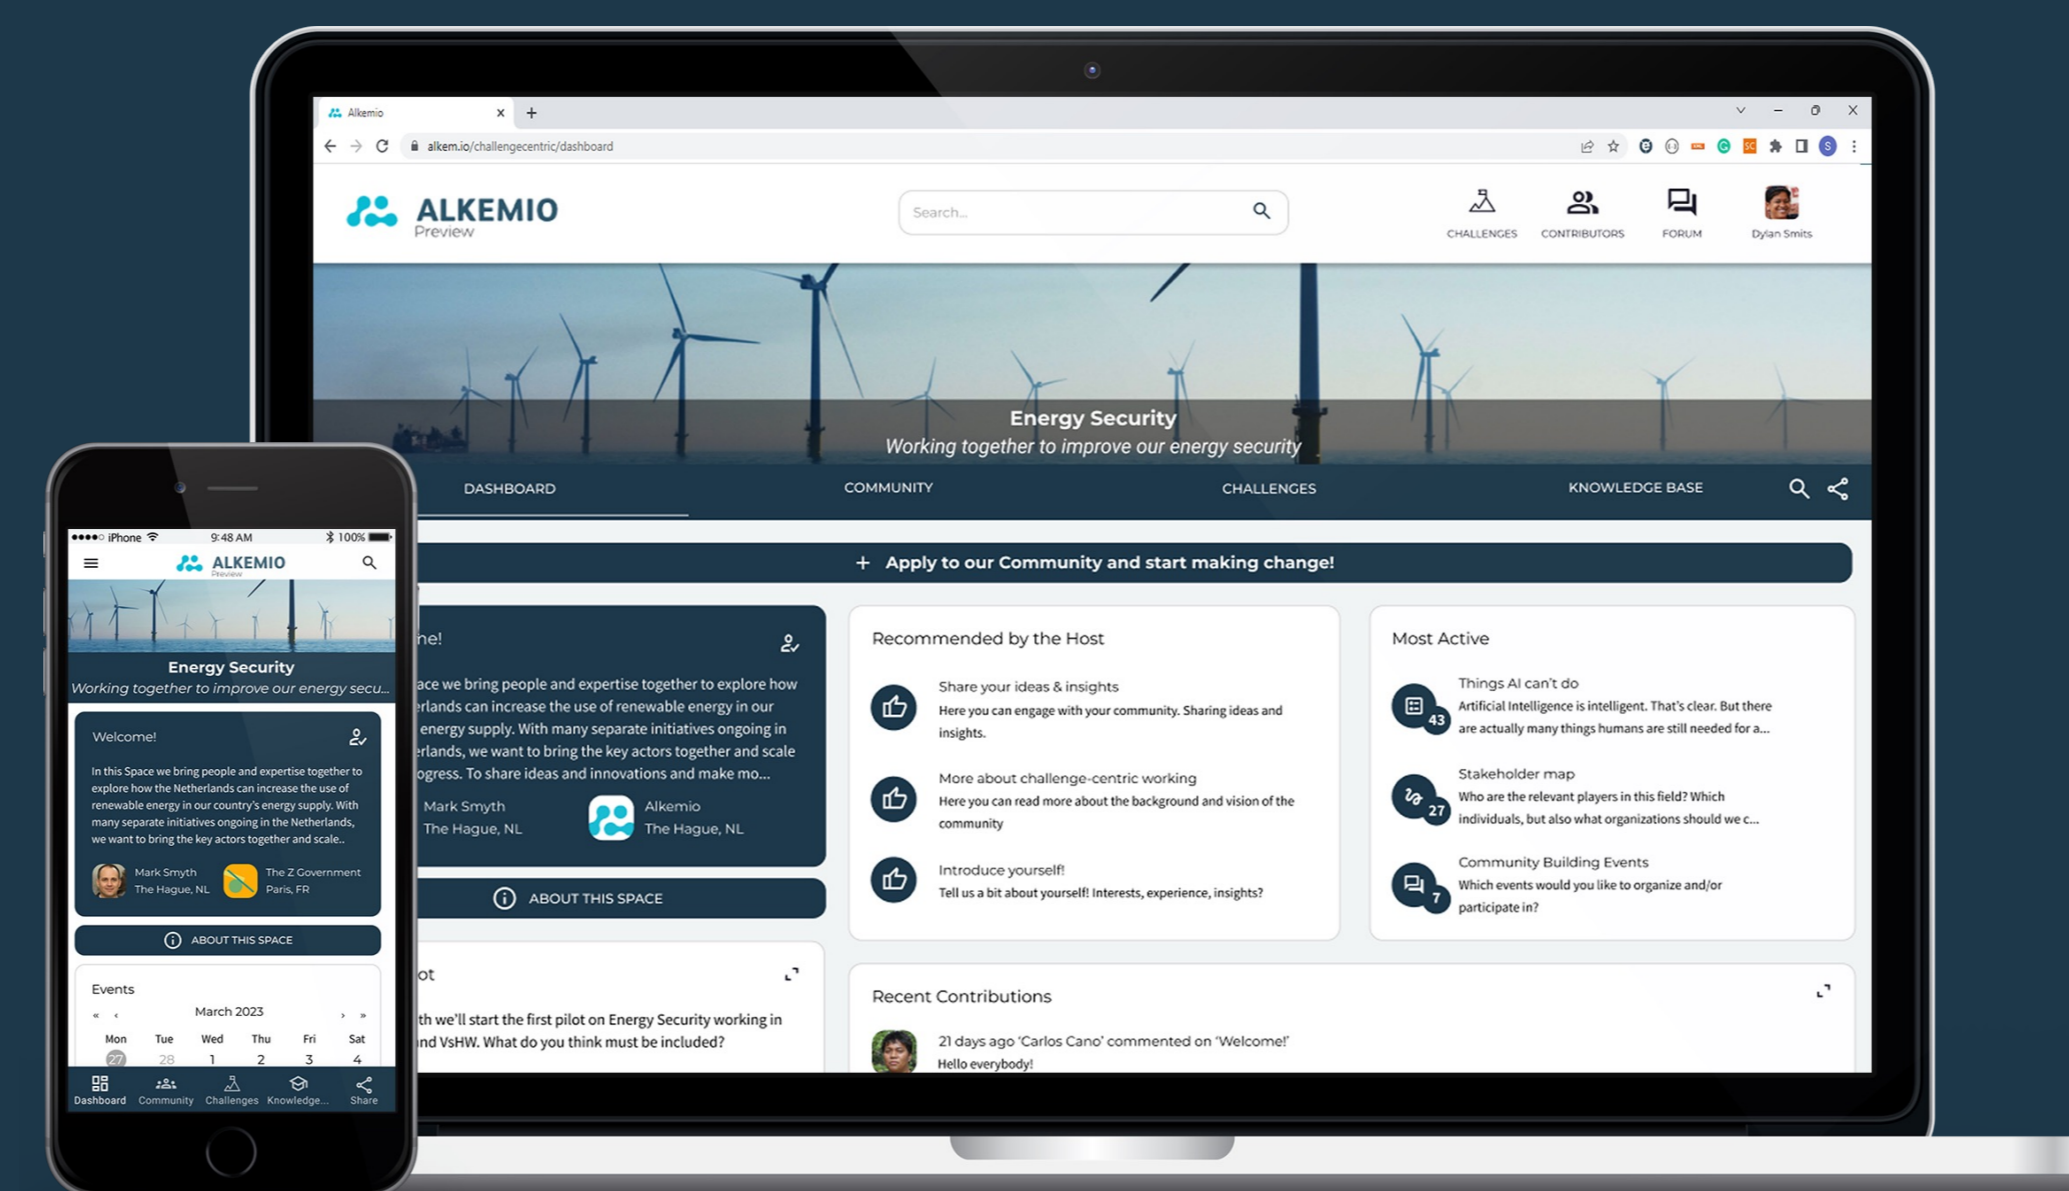

REQUIREMENTS

- 10+ years of communications work experience
- Business level proficiency in English and Dutch
- Self-starter, with proven track record of building brands, including on LinkedIn, media publications, and at events
- Excellent written and verbal communication skills
- Strong team player

PREFERENCES

- Communications experience in the education market and/or public sector
- Experience in building SaaS brands focused on the B2B market

ARE YOU LOOKING TO PLAY A KEY ROLE IN **SHAPING** HOW SOCIETY WORKS AND LEARNS TOGETHER?

- In an exciting young company at the forefront of the **public interest technology movement**
- Be part of Alkemio's team of **impact-driven** professionals, making technology work for society
- An **opportunity to lead** Alkemio's communications, bringing your expertise to build our brand awareness to a whole new level
